

# ENGINEERING & CONSTRUCTION MANAGED SERVICES

Why It's Built for your Industry

## INDUSTRY INTEL

A dedicated team of industry leaders who understand construction and engineering *the way you do*. We speak the language because we've worked in the industry for 20+ years, and stay current on regulatory, compliance and other unique E&C business components.

## COST BENEFITS

With Managed Services, there is no downtime. No sick days. No PTO. No divergence from focused support. Save on infrastructure costs and feel 100% confident that we are mitigating your risk by fully leveraging JD Edwards.

## ON-CALL SUPPORT

In E&C, access to technology is critical. Your JD Edwards solution has our attention. All day. Every day. Around the clock. Whether it's 9 am or 1 am, we're there for you so that you don't experience costly downtime.
